Good Morning Marty

I have been assigned to Area Command to assist Chris Ruhl with developing the process for the data pushout to the public. I know that you are the lead on data management and would like to talk to you when possible about area where I may be able to assist.

I'm not sure where you are working from right now, but can you call me at your convenience to discuss?

My cell phone is 804-337-3049

Thank you
Chris
